Party game sheets

Party game sheets are great activities for any party because they allow for flexibility. They can be used as a quick, timed activity or you can allow guests to work on them at their own pace and leisure, allowing for conversations and mingling in between.

This free 40s themed game sheet is from our 40s Game Sheet collection (a collection of seven different sheets ranging from current events trivia to guessing the prices for common good during the 40s.)

All of the answers to each game sheet can be found on the last three pages of this document.

Have a great party!
